

# Managing Safely

*Bespoke Safety Training & Consultancy Limited*

IOSH approved Course  
*Attendance dates to meet YOUR needs  
at YOUR place of work  
or at a venue of your choice.*

This is a certificated course delivered by Bespoke Safety Training & Consultancy Limited (BST) who are licensed by the Institution of Occupational Safety and Health.

**Delivered by a Tutor who is a  
Chartered Practitioner with IOSH and a Chartered Environmentalist**

*Managing Safely has been developed by the Institution of Occupational Safety and Health to address the safety and health training needs of the non expert / manager / supervisor / team leader who is required to manage safely and effectively in compliance with their organisation's policy and best practice in health & safety.*

## **Briefly the course includes:-**

- ✱ Reviewing a range of hazards and identifying hazards and a practical exercise
- ✱ Assessing risks and methods to use – practical exercise.
- ✱ Controlling risks and what is reasonably practicable.
- ✱ Responsibilities and criminal law and civil law – case studies
- ✱ Accident investigation methodology and video case study and investigation exercise and introduction to RIDDOR.
- ✱ Measuring the company / team performance and guidance on national standards.
- ✱ Practical evaluation of hazards in a project on candidates own workplace.

*The course has a number of case studies developed/researched by us to support understanding and learning as well as various relevant video clips and all practical exercises are classroom based.*

*Course content and duration may vary as a result of changes imposed by the Institution of Occupational Safety & Health or to facilitate the course aims and objectives, but details were correct at the time of publication.*

Includes course notes, **4 days tuition** (typically 0900 to 1630).

There is a theory test which is part multi choice plus a practical risk assessment project based on 4 hazards within each candidates own workplace which on a BST delivered course is normally completed as an integral part of the course and hence avoids work to be done after the course.

## **Guaranteed support**

*In the unlikely event of a candidate needing to re-submit their practical assessment or written examination re-sit there will be NO additional fee and additional guidance and support provided without charge.*
