

COSHH Assessment

*A certificated Full day course.
Attendance dates to meet YOUR needs
at YOUR place of work or at a venue of your choice.*

**Delivered by a Tutor who is a
Chartered Practitioner with IOSH a Registered Consultant with OSHCR
and a Chartered Environmentalist**

This is an excellent course for those responsible for assessing dusts, fumes, vapours, chemicals and their use including health and safety advisors / managers and supervisors etc.
This course includes completing a full COSHH Assessment.

Content

The course covers numerous substances and CLP, REACH, COSHH, EH40, WEL, SDS, recent changes, identifying hazards and precautions, understanding if an SDS is legally correct, dangerous substances, harmful substances that are often used and not realised as harmful in some circumstances and much more. COSHH Regulations provided on the course.

Course content and duration may vary as a result of changes needed to comply with the requirements of legislation or necessary updates, but details were correct at the time of publication.
If you are looking for a more general course on Health & Safety that includes a small part on COSHH then see our Health & Safety Awareness or Working Safely full day course.

**The course is examined based on a
practical COSHH Assessment and a test to demonstrate competence.
This is a level 3 course (normative)**

(you can have as few as you like in the group or the max permitted or even 1:1 tuition)

Quotations by BST are provided for the course to meet your specific requirements and will vary dependant on the number of candidates, distance, and venue etc.

Course notes included, **Full days tuition** (typically 0900 to 1630)
