

CSCS

Construction Industry Entry

This course also satisfies the compulsory training for labourers who want to apply for a CSCS card.

The Construction Skills Certification Scheme card.

To obtain this card the IOSH Working Safely course has been approved by CSCS.

Working Safely course (construction industry)

A Full day IOSH approved and CSCS approved course

Attendance dates to meet YOUR needs at YOUR place of work or at a venue of your choice.

Delivered by a Tutor who is a Chartered Practitioner with IOSH and a Chartered Construction Manager with CIOB

The syllabus concentrates on:

- Safe working, identifying the hazards and risks.
- Workplace precautions, introduction to risk assessments.
- Typical sources of hazards such as :Fire, manual handling, electricity, display screen equipment, chemicals and substances, work equipment, movement of people, poor housekeeping and noise.
- Improving safety performance.
- Accidents and incidents, monitoring, introduction to the health and safety policy.
- Safety management, co-operating, communicating safety etc

On successful completion (and passing the test) of this approved course by The Institution of Occupational Safety & Health a formal certificate is issued. The course is also compliant with the governments (HSE) passport syllabus. (See below for application process for CSCS card)

Course notes / book included, Full days tuition (typically 0900 to 1630)

This is a certificated course by IOSH achieved on passing the examination at the end of the course.

Cards are administered by CSCS for the construction industry.

Once you pass this IOSH course you can apply to take the CITB health, safety and environment operatives test at one of the national test centres. Following this you can then apply for a CSCS green labourers card through the CITB.

(you can have as few as you like in the group or the max permitted or even 1:1 tuition)

Course content and duration may vary as a result of changes needed to comply with the requirements of legislation or necessary updates, but details were correct at the time of publication.

Quotations by BST are provided for the course to meet your specific requirements and will vary dependant on the number of candidates, distance, and venue etc.
